

DUBUQUE 'Y' SPORTS ASSOCIATION

Dubuque Girls Basketball League (DGBL) Founded 2001
Dubuque Boys Basketball League (DBBL) Founded 2007
Merger with the Dubuque Community 'Y' 2008

Welcome everyone,

Let me be the first to welcome you to the NEW Dubuque 'Y' Sports Association Website. We have been serving the Dubuque community for almost a decade and our organization is Dubuque's finest. We do not require that you belong to any particular affiliation or possess any previous memberships to join our organization. We do ask that you support our organization through regular participation in activities. We are a mission-driven, non-profit organization dedicated to providing first class programs and services throughout Dubuque and the surrounding area. DYSA is a new program of the Dubuque Community 'Y' since our merger in 2008. The Dubuque Community 'Y' is founded on Christian principles and creates opportunities for growth, leadership, and empowerment for women, men, and youth by building healthy mind, spirit, and body with emphasis on respect, responsibility, caring, honesty, and the elimination of racism and prejudices. We are dedicated to building strong kids, strong families and strong communities through programs such as DYSA.

DYSA is a recipient of the Jr. NBA / Jr. WNBA top 5 Leagues in the Country Award for our unique program offering opportunities for all to play the game of basketball. Last season we served over 100 teams 2nd-8th grade Boys & Girls.

On our Web site, you will find everything you will need to get involved with youth basketball in the city of Dubuque.

We are firmly committed to the traditional YMCA values of caring, honesty, respect and responsibility. We will continually strive to promote these values within DYSA and to serve our members with high quality facilities, enriching programs and caring staff. Again, welcome to the Dubuque 'Y' Sports Association where we build strong kids, strong families and strong communities.

Ron Jacobsmeier
President / Youth Basketball Coordinator
Dubuque Community Y
